Welcome to the Programme

I am writing as the Director for the Postgraduate Programmes in Endodontics to welcome you to Manchester and to your programme of study.

I hope that you all made it to Manchester without too many problems and that you are getting settled into the accommodation you have arranged.

Your first few weeks will be packed with new experiences, from finding your way around Manchester to making new friends. In addition to learning a new clinical routine, you will also embark on what for most of you will be your first experience of carrying out research in some format and I hope that you will find it both interesting and rewarding.

Bear in mind we are always here to support you and I hope you will soon feel confident in your new environment and ready for the challenges ahead.

I wish you success in your future educational endeavours.
