Welcome to the Programme

Dear Postgraduate Student,

As Programme Director for the MSc Clinical Dentistry: Orthodontics, I would like to welcome you to Manchester and to the Orthodontic department within the Division of Dentistry in the School of Medical Sciences.

Orthodontics presents you with a challenge, our speciality requires rigorous academic discipline combined with precise clinical skills. You will face a series of new clinical challenges and, unlike your fellow students will be learning new and complex clinical skills throughout your 3 year period of study.

Early in the programme you will meet with a number of people to help and support you. This includes the Curriculum and Programmes Team, our team of orthodontic nurses and your clinical/academic teachers, all of whom have a wealth of clinical and academic experience to share. You will be introduced to the clinical routines and should listen carefully to our staff who will try their best to support your clinical learning. You will have your first experience of orthodontic research and I hope you will find all of this interesting and rewarding.

I hope you will feel confident in your new environment and ready for the challenges ahead, however, do bear in mind that all the teaching staff are always available to support and help you in any way possible.

Orthodontics is a fascinating and rewarding area of study and on behalf of all the Orthodontic team I wish you great success with your studies.

Yours sincerely

Mohammad Owaise Sharif
Programme Director
