Consequences of unsatisfactory progress

Students must pass all units at 50%. If failed, students may be exited with an early exit award, if eligible.

Programme Specific Regulations and Exemptions

Please be aware that the MSc Clinical Science (Blood Sciences) has some higher requirements to the University degree regulations and details of these are outlined below.

The programme employs a 50% pass rate across all levels & pathways (i.e. PGCert/PGDip/MSc).

The programme does not permit compensation rules to be applied to any course unit.

As per professional body requirements resit pass marks will be recorded on the transcripts as 50R. However the actual awarded mark as described in the â??Reassessmentâ?? section above (i.e. 40-49R) will be used to calculate the overall weighted average and degree classification.
